Gary is amazing at his job. Such an eye for detail & is meticulous in his work. The products he uses are top notch quality. We're absolutely over the moon with our wardrobe thank you Gary & your team for such an amazing experience. I'll also add you don't even know he's been he keeps everything clean & tidy & takes away all his rubbish. Amazing service can't recommend high enough!

Can't recommend Gary enough! Gary takes full pride in his work and ensures the best options to suit your budget. He shares his expert opinion on what will look best within the space too. For me the options Gary suggested were actually cheaper! Not many works men who don't just go after your money these days. Absolutely love my wardrobes Thank you.

Highly recommend Gary Ford Sliding Door Wardrobes. Love our new wardrobes and under stair storage. Brilliant service, excellent price and lovely team of people fitting. Nothing was a bother and the finish is impeccable.

What can I say about Gary and his team... He is up there with THE most professional craftsmen I have ever met, the standard of finish is second to none, ultimately resulting in unbelievable value for money. The big names out there simply can't compete, especially on price with Gary. The place was cleaner when they left than when they got there. Can you tell I'm happy with the Job done? Congratulations Gary you've made us very happy and completed our home.
